The screenshot displays a Virtual Learning Environment (VLE) interface for Hadford University. The interface is organized into several sections, each with a numbered callout:

- Calendar** (Callout 5): Shows the current date as **TODAY 18/10**. It lists two events: **09.00–10.30 Lecture – Destination management** and **13.00–14.00 Seminar – Trends in tourism**. A **>>More** link is provided.
- Resources** (Callout 3): Includes **Lecture handouts and recordings**, **Library database**, and **Research tips**. A **>>More** link is provided.
- Groups** (Callout 2): Lists **Marketing the tourism experience project** and **French intermediate**. A **>>More** link is provided.
- Inbox** (Callout 4): Displays three email notifications:
 - Matt Spalding** RE: Project (Hey, how's it going? Yes, that ...)
 - Prof. Higgins** Extension (Dear students, I am writing to ...)
 - univhadford** Reminder (Please inform us of any changes ...)A **>>More** link is provided.
- Grades** (Callout 1): Lists **Cultures, ethics and tourism**, **Management and the tourism workforce**, and **Strategic decision-making**. A **>>More** link is provided.
- Help**: Includes **Campus map**, **Mental health**, and **Organizing your work and study**. A **>>More** link is provided.

The interface also features the Hadford University logo, the title **Virtual Learning Environment**, the user's name **Francesca House**, and a profile picture of a woman.
